# A Hear with American Men and Movements

The Men Who Made Our Nation, and  
the Faith That Sustained Them

In America we have all the elements of the world life. If we can solve our American problems, can co-ordinate the various and variable group units so that they shall reinforce each other and work together in peace and good-will, we shall have solved the world problem. In the hope that we may be able to contribute something to this end, let us seriously and earnestly take up the work that is before us.

At the First Unitarian Church, 925 South Flower St., Los Angeles, Cal., Rev. E. Stanton Hodgins, the Minister, will preach Sunday mornings at 11 o'clock on the following subjects, the aim always being to find the religious and ethical incentives that have characterized the men and movements

You are cordially invited to hear these sermons and to make yourself at home with us. Will you not pass this leaflet on and endeavor to interest others in this work?

## Mid-Week Meetings

Every Thursday evening at 8 o'clock in the Sunday School Room.

The Sunday morning discourses, in which the distinctly religious and ethical forces will be dwelt upon, will be supplemented by a mid-week meeting, Thursday evenings at 8 o'clock, where a parallel study will be made of the Political, Industrial and Social Forces in our American life, with the one end in view of giving us a better understanding of our present day needs and possibilities. If you have a serious desire for a better knowledge of our present day American life and the duties and responsibilities that inhere in it, you are cordially invited to join this mid-week class.

## PACIFIC COAST CONFERENCE

All our Church activities this week give way to the Conference, which meets in San Diego the 9th, 10th, 11th and 12th. The Conference begins Tuesday evening, at which time the Conference sermon will be given by Rev. H. B. Wright of Berkeley. Sessions each forenoon and evening, afternoons being free for the Exposition. Trains leave Santa Fe station at 8:10 and 9:10 A. M., and at 1:15 and 3:00 P. M. Automobiles also run daily at the same rate. It is hoped there will be a good delegation from our church.

---

## A REMINDER

That at our Annual Meeting we all agreed to make substantial increase in our Sunday morning collection the first day of each month, to avoid a deficit at the end of the year.

---

Strangers are invited to introduce themselves to the pastor, the ushers or any member of the congregation, and to register in our Visitors' Book, that we may have an opportunity to become better acquainted..

---

## SUPPORT

Our church's only means of support is from the voluntary subscriptions and contributions of members of the congregation. You are asked to be as generous as possible. These days of strenuous demands of all kinds, can we afford to neglect our church?

---

On account of the Exposition, the Pacific Coast Conference will be held in San Diego instead of in Los Angeles, as was planned. The dates of the Conference are May 9, 10 and 11. The afternoons will be open for the Exposition. Let as many as possible plan to attend the Conference.

---

## PACIFIC UNITARIAN.

If you are not already a subscriber to our Pacific Coast Monthly Publication, one of the ablest papers of its kind, let this now be a good time to subscribe for it? Subscriptions will be received by Dr. Abbie Fox Rooney.

## First Unitarian Church of Los Angeles:

Friends: One of the lady members of our Church has made a proposition to the Board of Trustees that she would give the sum of \$500.00 toward paying our indebtedness of \$1000.00 to the First National Bank of this city.

The Board deem it proper to accept this gift so generously offered, and, for that purpose, ask the members of the Congregation, as well as all persons attending the Church who feel so inclined, to sign the following subscription blank, giving such an amount as they feel they are able to give for the purpose indicated, and to place their subscription, thus made, in the collection basket as it is passed, all payments to be made within thirty days.

# Membership Card

In the love of the truth, and in the spirit of Jesus, we unite for the Worship of God and the service of man.

The First Unitarian Church of Los Angeles stands for the advancement of sound morals and pure religion in the community, and for the promotion of Truth, Righteousness and Love in the World.

It asks assent to no body of doctrine or system of belief. It leaves each member free to formulate his belief according to individual conscience and reason, holding that out of the cultivation of reverence for truth and sincerity will issue a conscientiousness, a self control, and a purity and strength of character, that will be the best safeguard against evil and the greatest inspiration to noble living.

Finding myself in general accord with the above statement, I hereby make application for membership in the First Unitarian Church of Los Angeles, promising such personal and financial support as may reasonably be expected of me.

## THE BILLY SUNDAY REVIVAL

Billy Sunday is in our midst. For months, thousands of earnest, conscientious men and women have been giving their time and substance in preparation for a great revival campaign. They feel that this spectacular evangelist has the true gospel of life and are expecting great results. We hope much good may come to the community from all this extraordinary effort. But we have our doubts. We feel sure that we have a better gospel of life and that we ought to find a more effective way of presenting it. Shall we not each give something from our time and substance for the setting forth of what we believe to be our truer gospel? There are thousands in Los Angeles to whom the old theology can never again appeal and to whom our faith would be the very bread of life if we could present it to them in vital form. A meeting of committees will soon be called to formulate plans for putting our gospel before the community at this time.

## THE BILLY SUNDAY REVIVAL

Billy Sunday is in our midst. For months, thousands of earnest, conscientious men and women have been giving their time and substance in preparation for a great Revival campaign. They feel that this spectacular evangelist has the true gospel of life and are expecting great results. We hope much good may come to the community from all this extraordinary effort. But we have our doubts. We feel sure that we have a better gospel of life and that we ought to find a more effective way of presenting it. Shall we not each give something from our time and substance for the setting forth of what we believe to be our truer gospel? There are thousands in Los Angeles to whom the old theology can never again appeal and to whom our faith would be the very bread of life if we could present it to them in vital form.

---

Strangers are invited to introduce themselves to the pastor, the ushers or any member of the congregation, and to register in our Visitors' Book, that we may have an opportunity to become better acquainted.

## SUBSCRIPTION CARDS

The Church's only means of support consists of the voluntary contributions of members of the congregation. You will find subscription cards in the pews. If you are not already a regular subscriber, can you not assist by filling out one of these cards and dropping it in the basket?

---

The Church Service begins when the organ commences to play. It is very desirable that all conversation cease at that time and quiet prevail.

## STENOGRAPHERS WANTED

The government is in such need of competent stenographers that it has sent out an urgent request to churches to announce this need in the hope that in this way it may secure the much needed help.

---

## THE BIBLE AND ITS HISTORICAL BACKGROUND

Beginning early in the new year Mr. Hodgkin will give a series of lectures Thursday evenings in the church parlor on "The Bible and its Historical Background," dealing with the life problems out of which the biblical literature grew. The lectures will be free and you are asked to invite any whom you think might be interested in this course.

---

## FINANCIAL

Our Annual Meeting is near at hand at which time our financial standing is determined. It is highly desirable that all subscriptions be paid in by that time, and members of the congregation who are not regular subscribers are urged to become so at once if possible or to make such contribution to the financial support of the church as they can that we may clear up the deficit that has accumulated. The prospects are good that we may come out even this year if everyone will do his part.

---

## ALLIANCE NOTES

We have not yet reached the goal of one hundred members in our alliance, and once more invite women in the congregation who are not enrolled on our books to consult Miss Marshall.

There will be no Red Cross work excepting the knitting during the Holidays. This work is progressing satisfactorily and anyone wishing to help may secure yarn from Miss Spalding.
